The definitions and provisions contained in the 1998 FX and Currency Option Definitions, as published by International Swaps and Derivatives Association, Inc., the Emerging Markets Traders Association and The Foreign Exchange Committee, are incorporated into this document. In the event of any inconsistency between those definitions and provisions and this document, this document will govern.

This document should be read in conjunction with the ISDA Master Agreement, Schedule and (if applicable) a Credit Support Annex, as amended and supplemented from time to time, between Commerzbank AG and its Counterparty (the "Relationship Documents"). All provisions contained in the Relationship Documents govern this document. Where a term is set forth below in brackets ("< >") or blank, it will be communicated to the Counterparty orally, in writing or by streaming media at a reasonably sufficient time prior to transacting.

If no Relationship Documents are currently in force between Commerzbank AG and its Counterparty, and the parties agree to enter into an FX Binary Swap Transaction on the basis of a long-form Confirmation, any such Confirmation will evidence the terms of such FX Binary Swap Transaction. In addition, if Commerzbank AG and its Counterparty agree to use all reasonable efforts promptly to negotiate, execute and deliver an agreement in the form of an ISDA Master Agreement, with such modifications as Commerzbank AG and such Counterparty in good faith agree. Upon the execution by Commerzbank AG and such Counterparty of such an agreement, any Confirmation previously agreed between the parties will supplement, form a part of and be subject to that agreement. All provisions contained in or incorporated by reference in that agreement upon its execution will govern such a Confirmation except as expressly modified below. Until the parties execute and deliver that agreement, such a Confirmation, together with all other documents referring to an ISDA Master Agreement (each a “Confirmation”) confirming transactions (each a “Transaction”) entered into between Commerzbank AG and such Counterparty (notwithstanding anything to the contrary in a Confirmation), shall supplement, form a part of, and be subject to, an agreement in the form of the 2002 ISDA Master Agreement as if Commerzbank AG and such Counterparty had executed an agreement in such form (but without any Schedule except for the election of English law as the governing law and euro as the Termination Currency) on the Trade Date of the first such Transaction between Commerzbank AG and such Counterparty. In the event of any inconsistency between the provisions of that agreement and any Confirmation, such Confirmation will prevail for purposes of this Transaction.
